## **WAYNE COUNTY TAX RATE CHANGE**

Employers in and around Wayne County should by now have received a postcard from the Indiana Department of Revenue listing new county income tax rates. The new rates, which will become effective January 1, 2002, will affect all Wayne County residents, whether they work in their home county or elsewhere.

Wayne County's new income tax withholding rates will be as follows:

Resident	1.5% (.015)
Non-Resident	.50% (.005)

Questions should be directed to the Withholding Tax Section of the Department at (317) 233-4016.
